

2026 Resident Registration Fact-Finding Survey

Songdo 3-dong Administrative Welfare Center is conducting the 2026 Resident Registration Fact-Finding Survey to confirm that residents' registered addresses match their actual place of residence. Your cooperation is appreciated.

- Online Survey: July 20 - Sept 7, 2026 — complete via the Gov24 app at your registered address (one household member may respond for the whole family).
- On-Site Visit: Sept 8 - Nov 9, 2026 — for households that didn't complete the online survey, or that include a priority-check case (e.g., age 100+, long-term unconfirmed residency, vulnerable welfare status).
- Voluntary Correction: Report any discrepancy by Nov 30, 2026 for a possible fine reduction.
